Please summarise why your organisation or project needed books and/or computers.

Children in Muwangi can not read or comprehend a book of their class and age level. This has lead to continuous poor performance at primary leaving examinations this must children not continuing to secondary school. Efforts to improve literacy levels have been undermined by lack of books with 30 children sharing one book. These books received will go a long way in helping teachers to deliver reading instruction and help the children read appropriate books of their level.

Please summarise what the impact of the books and/or computers received from Books2Africa has been.

The books have raised the children's interest in reading. They are so engaging and the children are so excited bout interacting with them. This will go along way in improving literacy levels at the school.
